

To: Planning Commission  
Date: December 1, 2003  
From: Tom Cajka, Planning Department  
RE: Change of Zone 3431 Text Amendment

Planning staff has met with the applicant and the applicant has agreed to amend the zoning text change. The revised zoning text change gives broader language in allowing Medical Testing Laboratories.

Due to the change, the request must be readvertised. The application will be scheduled for January 7, 2004 Planning Commission.
